In order for Voyent Alert to work effectively we need more residents to sign up.

Currently we have 149 people participating (some of which are from the same household) which is great, 53 are still unknown to us (have signed up anonymously). We need to know who you are. Of the 285 homes & businesses this potentially leaves us with 200 properties where we would have to go door to door in case of emergency (which can take a number of hours). The Voyent Alert sends out a notification of emergency in seconds.

PLEASE for everyone's safety consider registering.

The Voyent Alert app will say "you are subscribed to receive notifications from the Town of Aberdeen using this app" but please go into the menu and look under profile to see if your name is there. If your name is not there, please add it. This step is why we have so many anonymous.

Thank You

I want to send my deepest thanks to all of my friends and neighbours who extended kind words, hugs a 2x4 or two, and looked after me during the lowest time in my life and recent passing of my dad Allan McHarg. Your words of kindness, numerous hugs and thoughtful gestures will be remembered always!! I want to especially thank the ladies of the Aberdeen Red Hat Society along with Renie Wutzke for the wonderful feast you made for our family. You outdid yourselves ladies!! It was delicious, and was totally devoured. Once everyone took their meals for the next day, we had no leftovers (except for the horseradish of course)! I love you all! Thank you so much for everything! Judy Heusdens. |
